Our Physicians will Save you Money on your Worker's Compensation Claims!

Case Management

3-hab provides impactful medical case management by utilizing ONLY physicians.

- Our physician team consists of ortho, dental and occ med. Our Physician's approve, deny, or amend reimbursement accordingly and will take an additional step to call the Physician of Record (POR) to discuss effective treatment when necessary.
- 3-hab physicians proactively manage of ALL claims to ensure timely and effective treatment.
- 3-hab nurses work alongside our Physician Case Managers to manage our catastrophic cases.

Communication

Our communication minimizes lost time/compensation that saves premium dollars.

- 3-hab physicians speak directly to the injured worker's Physician of Record concerning safe work releases when time off work isn't appropriate.
- 3-hab physicians frequently contact employers regarding their cases to provide clarification on claim activity and giving employers opportunities to ask questions.
- 3-hab assigns a Care Coordinator to each account providing a one point of contact to handle all claim types.

Employer Portal

During our 29 years in business, 3-hab has developed a proprietary computer system.

- 3-hab customizes and produces reports quickly to employer's specifications.
- Employer's access to our secure portal provides real time claim information, interactive OSHA reporting and much more.

Hot Claims

Our Physician work the "hot" claims for a new employer after open enrollment.

- Our physicians are highly successful in obtaining work releases, which will reduce an employer's premium by minimizing compensation.

Customer Satisfaction

BWC's employer survey say's it all!

- The 2023 published BWC report card indicates 3-hab exceeds the state average in employer satisfaction.

Client Retention

Capability to maintain client base.

- During the State of Ohio's 2018 & 2021 open enrollment, 3-hab maintained 98% retention of their client base. 3-hab is proud to say we have some of the same clients from 1994 prior to the HPP program when 3-hab started managing claims for employers.

Why not choose 3-hab the MCO endorsed by Northern Cincinnati Safety Council?

- Impactful Physician claims management.
- Exceeds state average in Employer Satisfaction per BWC survey.
- Retained a 98% client base during last two enrollment periods
- Exceptional in getting releases for injured workers to return to work keeping the employer's premiums to a minimum.
- A one-point contact is assigned to each employer who keeps all parties informed about the claim.
- A user-friendly employer portal to access claim information including interactive OSHA log and ability to upload to OSHA.

There is no direct cost for an MCO they are paid by BWC.
