

A CHILD'S HOPE INT'L PRESENTS

# MEALS MIRACLES & MISSION

FEBRUARY 24, 2024

**Come celebrate God's goodness over the years in the big and the small. He has fed the hungry, healed the hopeless, and restored the broken through your faithful steps.**

Join us in anticipating how God will grow these ripples of action into giant waves of transformation.

### **Less chandeliers, more high-fives!**

Leave your formal attire at home and step into an experiential evening packing meals for children and families with a Hands Against Hunger® pack, in celebration of 15 years of impact.
