

MEMBERSHIP ENROLLMENT FORM 2023 -2024

Safety Councils were implemented by the Ohio BWC to reduce the number of workplace accidents and to share resources and information on accident prevention, risk management, health and wellness, and more.

The BWC's Division of Safety & Hygiene and the Northern Cincinnati Chamber offer this local Safety Council.

Everyone is welcome! You need not be a member of the Northern Cincinnati Chamber to participate. If you are currently enrolled in another Safety Council and would like to change affiliation for any reason, simply inform your current Safety Council prior to June 30 that you will not be re-enrolling and then enroll in the safety council of your choice.

In signing this enrollment form, the employer makes a commitment to send representatives to the majority of safety council meetings.
